

Counter-Top Light Box

LB-Series™

**COMPACT,
DEPENDABLE**

- Add another touch of professionalism to your color presentation.
- Reduce “mistints” and returns.
- Ideal for color comparison, colormatch of complimentary colors and harmonizing colors with paints, fabrics, wallpaper, carpet, wall finishes, etc.
- Provides three standard light sources to assure accurate visual color assessment and color comparison.

Artificial Daylight

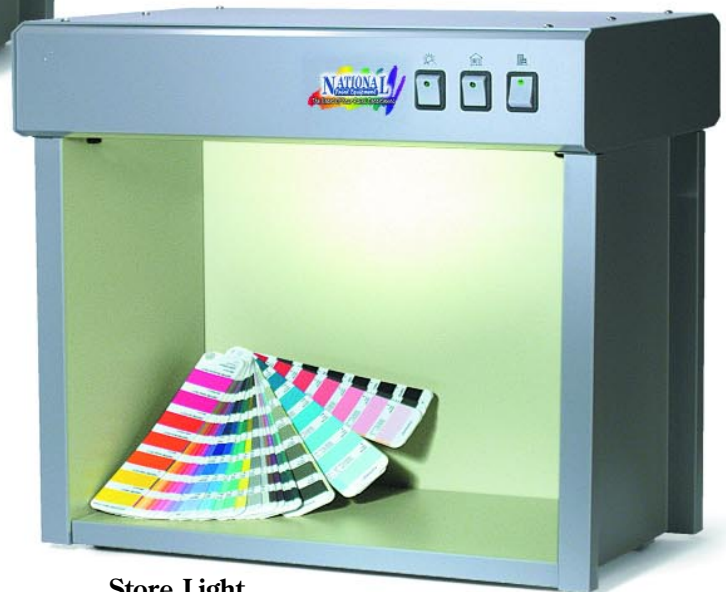

Home Light

LB-Series Counter-Top Light Box

- Overall height 18" • Overall depth 13.5"
- Overall width 21" • Overall weight 22 lbs.

- Light Sources:
